

APRIL IS AUTISM ACCEPTANCE MONTH!

Check out some of our favorite picture books featuring neurodiverse children!

This Beach Is Loud! by Samantha Cotterill

A little boy is wildly excited to go to the beach, but the sights, sounds, and textures are very overwhelming. His dad patiently helps him soothe himself so he can enjoy the adventure.

It Was Supposed to Be Sunny by Samantha Cotterill

Laila feels like her sparkly sunshine birthday celebration is on the brink of ruin when it starts to storm. Then, just as she starts feeling okay with moving her party indoors, an accident with her cake occurs. But with the help of her mom and a little alone time with her service dog, she knows she can handle this.

My Rainbow by Trinity and Shanna Neal illustrated by Art Twink

Warm morning sunlight and love fill the Neal home. And on one quiet day, playtime leads to an important realization-Trinity wants long hair like her dolls. She needs it to express who she truly is.

Uniquely Wired by Julia Cook

Zak has autism, so he sometimes responds to the world around him in unconventional ways. As he describes his point of view, young readers gain a better understanding of his behaviors and learn valuable lessons about patience, tolerance, and understanding.
