

C.C. MELLOR MEMORIAL LIBRARY

Check it Out!

Join us for a community read of “American Sirens”

This October, we are inviting everyone to join us in our first ever community read of “American Sirens” by Kevin Hazzard. “American Sirens” is the story of an unjustly forgotten group of Black men in Pittsburgh who became the first paramedics in America.

Copies of the book will be available to borrow at CCM Edgewood and Forest Hills, or to purchase at Stay Gold Books in Regent Square.

Throughout all of October, stop by CCM Edgewood and Forest Hills for interactive stations where you can share your favorite quotes, answer discussion questions, participate in a community art project and more.

In partnership with WQED and the Edgewood Historical Society, we will be culminating the read with a special screening of the documentary on the same topic “Freedom House Ambulance: the FIRST Responders” at 6 p.m. on November 4 in the Edgewood Club Living Room, more info on our website.
